Clean Ohio Brownfield Fund Application Process

CleanOhioFund

JobsOhio Vetting Process

- Interested Party contacts JobsOhio or Network Partner
- JobsOhio and Network Partner meet with interested parties and collect project information
- JobsOhio analyze project information and determine best funding resource (CORF or COAF)
- JobsOhio and Ohio Development Services Agency (ODSA) issue Letter of Recommendation
- Applicant and partners meet with ODSA and Ohio EPA for technical meeting (PRAM)

45 Day Public Notice

- Submit a completed application to the public library
- Place 4x4 sign on project property
- Place notice in local newspaper with library location and date of public meeting
- Upload application summary documents to applicant's website
- Hold a public meeting at the end of the 45 day period
- Submit two electronic copies of the application to ODSA within 3 days of library submission

Application Submission

- **For CORF Projects:** Following the Public Notice Period submit the original signature application documents to the local Ohio Public Works District Integrating Committee Liaison: IC Liaisons

•**For COAF Projects:** Following the public notice period, submit the original signature application documents to ODSA

Application Review and Scoring

- **For CORF Projects Only:** Integrating Committees will prioritize each application received
- The ODSA and Ohio EPA will review all application submittals
- Applicants will have an opportunity to respond to comments from the review

Approval Process

- **For CORF Projects Only:** The Clean Ohio Council will meet at the end of the process to make funding decisions
- **For COAF Projects Only:** The Director of ODSA will make funding decision
- All approved projects must go to the state Controlling Board for final approval
- A grant agreement will be sent to awardees following Controlling Board approval

CORF = Clean Ohio Revitalization Fund Program; COAF = Clean Ohio Assistance Fund Program
