Clean Ohio Revitalization Fund
Application Process

CleanOhioFund

Pre-Application Submission

- Download application forms online
- Meet with Ohio Development Services Agency and Ohio EPA staff to review the project; Project Resource and Advisory Meeting (PRAM): Meeting Request Form
- Submit an application for the Ohio Brownfield Inventory: Application Form

45 Day Public Notice Period

- Submit a completed application to the public library
- Place 4x4 sign on project property
- Place notice in local newspaper with library location and date of public meeting
- Upload application summary documents to applicant's website
- Hold a public meeting at the end of the 45 day period

Application Submission

- Within 3 business days of application submittal to the public library send one copy of the application to the Ohio Development Services Agency and Ohio EPA
- Following the Public Notice Period submit the original signature application documents to the local Ohio Public Works District Integrating Committee Liaison: IC Liaisons

Application Review and Scoring

- Integrating Committees will prioritize each application adding points to the application base score
- The Ohio Development Services Agency and Ohio EPA will review all application submittals and verify application base scores
- Applicants will have an opportunity to respond to comments from the review

Approval Process

- The Clean Ohio Council will meet at the end of the process to make funding decisions
- Once the Council awards are made all approved projects must go to the state Controlling Board for final approval
- A grant agreement will be sent to awardees following Controlling Board approval
