

**Department of
Development**

Certificate of Nameplate Capacity for Completed Energy Project Pursuant to Ohio Revised Code Section 5727.75(F)(2)

Senate Bill 232 contemplates applications for certification as a “qualified energy project” by owners or lessees of projects completed before the effective date of the act – June 17, 2010. Those projects must file nameplate capacity reports no later than August 16, 2010. Owners/lessees of completed projects that may apply for certification as a qualified energy project should use this form for the required nameplate capacity certificate for completed projects.

Submit Certificate of Nameplate Capacity for Completed Energy Project to the Ohio Department of Development, 77 S. High Street, Columbus, Ohio 43215, Attention: Office of Grants & Tax Incentives, 28th Floor. Questions regarding this form should be directed to the Office of Grants & Tax Incentives at (614) 466-2317.

Form of

**Certificate of Nameplate Capacity for Completed Energy Project
Pursuant to Ohio Revised Code Section 5727.75(F)(2)**

The undersigned hereby certifies to the State of Ohio as follows:

1. This Certificate is being filed with the Ohio Department of Development by the entity identified above, which is a prospective applicant for certification of a qualified energy project pursuant to Ohio Revised Code § 5727.75.
2. As of the date of this Certificate, the undersigned is employed by the Prospective Applicant in the position indicated in the signature block and is duly authorized to make this certification to the State of Ohio on behalf of the Prospective Applicant. Further, the undersigned has examined such documents and records and made such inquiries of officers, employees and representatives of the Prospective Applicant as the undersigned has deemed relevant and necessary as the basis for this Certificate.
3. The Prospective Applicant is the owner or lessee, as indicated above, of the energy project, as that term is defined in Ohio Revised Code § 5727.75(A), located at the project site described above (the "Energy Project").
4. Construction of the Energy Project was completed on the completion date set forth above.
5. The nameplate capacity, as that term is defined in Ohio Revised Code § 5727.01(Q), of the Energy Project is as set forth above.
6. The information provided to the Ohio Department of Development in this Certificate is true, correct and complete.

The undersigned acknowledges that this Certificate is being filed with the Ohio Department of Development as part of an application process to obtain a financial benefit from the State of Ohio, and that the Ohio Department of Development may rely on the information provided in this Certificate in evaluating such application.
