	Project Description:	St. Vince DePaul Social Services, Inc. will operate the 135-bed Apple Shelter for homeless single women and households with children and the 178-bed Gettysburg Shelter for homeless single men in Montgomery County. Supportive services provided include case management, referrals to community service providers, and placement in permanent housing. Funds will be used for shelter operations. St. Vince DePaul Social Services, Inc. will serve 2,400 households consisting of 4,100 persons at the Apple Shelter and 2,800 households/persons at the Gettysburg Shelter. St. Vince DePaul Social Services, Inc. projects that 55 percent of persons who exit the Apple Shelter and 50% of persons that exit the Gettysburg Shelter will exit to a permanent destination.				
35	LUTHERAN SOCIAL SERVICES OF CENTRAL OHIO	$179,000	$170,500	$323,900	78.00	Funded
	Project Description:	Lutheran Social Services of Central Ohio will operate a 24-bed emergency shelter serving homeless, adult single males and females in Fairfield County. Supportive services provided include case management, referrals to community service providers, and placement in permanent housing. Funds will be used for general administration, shelter operations, and data collection and evaluation. The program will serve 300 households consisting of 300 persons during the 2-year period. Lutheran Social Services of Central Ohio projects that 30 percent of persons who exit will exit to a permanent destination.				
	Funding Justification:	High need: services 60% of Fairfield County's homeless population and has a 4-bed winter overflow. Bed utilization steadily increasing.				
36	ST. PAUL'S COMMUNITY CENTER	$273,000	$260,800	$553,783	78.00	Funded
	Project Description:	St. Paul's Community Center will operate a 35-bed emergency shelter serving homeless, adult single males and females in Lucas County. Supportive services provided include case management, referrals to community service providers, and placement in permanent housing. Funds will be used for shelter operations. The program will serve 300 households consisting of 300 persons during the 2-year period. St. Paul's Community Center projects that 38 percent of persons who exit will exit to a permanent destination.				
	Funding Justification:	APR submitted late. Outcome deficiencies lacked explanations. Problems with housing first policy -- unclear of supportive services are voluntary				
37	FAMILY PROMISE OF LIMA-ALLEN COUNTY	$66,500	$28,300	$589,920	75.00	Funded
	Project Description:	Family Promise of Lima-Allen County will operate an 11-bed emergency shelter serving homeless families with children in Allen County. Supportive services provided include case management, referrals to community service providers, and placement in permanent housing. Funds will be used for shelter operation and data collection and evaluation. The program will serve 16 households consisting of 78 persons during the 1-year period. Family Promise of Lima-Allen County projects that 75 percent of persons who exit will exit to a permanent destination.				
	Funding Justification:	Family Promise Lima will receive 85% of their previous award prorated for a one-year period for the following reasons: 1) significant monitoring and audit findings calling into question the agency's administrative capacity; 2) lack of a defined intake process; and 3) failure to practice housing first.				
38	FAMILY PROMISE OF LORAIN COUNTY, INC.	$60,000	$25,500	$201,230	74.00	Funded
	Project Description:	Family Promise of Lorain County will operate a ten-bed emergency shelter serving homeless families in Lorain county. Supportiv4e services include case management and placement in permanent housing. funds will be used for general administration and shelter operations. The program will serve 15 households consisting of 30 persons during the one-year grant period. Family Promise projects that 95 percent of persons who exit will exit to a permanent destination.

39	THE YOUNG MEN'S CHRISTIAN ASSOCIATION OF CENTRAL OHIO	$450,000	$63,800	$5,979,171	74.00	Funded

Project Description:

The Young Men's Christian Association of Central Ohio will operate a 327-bed emergency shelter serving homeless single men and women in Franklin County. Supportive services provided include case management, referrals to community service providers, and placement in permanent housing. Funds will be used for shelter operations. The Van Buren Single Adult Shelter will serve 2,655 households consisting of 2,655 persons during the 1-year period. For both programs, The Young Men's Christian Association of Central Ohio projects that 30 percent of persons who exit will exit to a permanent destination.

Funding Justification:

Scores represented as an average for representation in OCEAN (not for review purposes). See attachment for details

YMCA of Central Ohio will receive 85% of their previous award prorated for a one-year period for the agency's Men's Shelter for the following reasons: 1) extremely long (93 day) length of stay when the maximum length of stay for HCRP funded shelters is 90 days; 2) low occupancy/utilization of the shelter; and 3) low permanent destination outcomes. In addition, the agency request for the Family Shelter which was not previously funded under HCRP was denied funding for the following reasons: 1) the requirement that male children over 18 must exit the shelter which is in violation of Ohio Emergency Shelter Standards; 2) high costs; and 3) failure to demonstrate a need for HCRP funds.

40	MARYHAVEN, INC.	$238,000	$58,700	$2,449,234	50.00	Funded

Project Description:

Maryhaven, Inc. will operate a 29-bed emergency shelter serving homeless, adult single males and females in Franklin County. Supportive services provided include case management, referrals to community service providers, and placement in permanent housing. Funds will be used for shelter operations. The program will serve 750 households consisting of 750 persons during the 1-year period. Maryhaven, Inc. projects that 15 percent of persons who exit will exit to a permanent destination.

Funding Justification:

Maryhaven will receive 85% of their previous award for eligible shelter beds prorated for a one-year period for the following reasons: 1) results of previous monitoring which revealed that 21 HCRP funded were ineligible based on HCRP guidelines as well as questionable housing first practices; and 2) HMIS data quality issues.
