Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

File: P102000004, Single Year of Age by Sex Estimates for Counties: April 1, 2006

Ohio Department of Development

Single Year of Age by Sex Estimates for Counties: April 1, 2000 to July 1 ,2006

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.

Notes: The April 1, 2000 Census Population may differ from the April 1, 2000 Population Estimates base, which reflects changes to the Census 2000 population from the Count Question Resolution program and geographic program revisions.

Annual estimates published in this table replace and supersede single-year age estimates previously released by our office.

Source: The Bridged-Race Vintage 2006 (July 1, 2000 - July 1, 2006) were produced by the Population Estimates Program of the U.S. Census Bureau in collaboration with the National Center for Health Statistics (NCHS). This file was released by NCHS on August 16, 2007.
