

The demographic categories are defined areas of service from the National Association for State Community Services Programs. The chart focuses on “Youth” and “Senior” services that were provided to low-income people and communities with CSBG resources. The number of agencies reporting represents the number of CAAs operating programs in the defined demographic category.

CSBG Expenditures by Demographic Category

	Demographic Category	# of Agencies Reporting	CSBG Funds
1	Youth	41	\$1,435,921
2	Seniors	29	\$1,126,284

Here are some examples of the types of CAA programs you would see for the above Demographic categories.

Youth (Individuals aged 12-18)

Physical Health and Development	Social Skills	Education
---------------------------------	---------------	-----------

Seniors (Individuals aged 55 and up)

Nutrition	Employment	Companion
-----------	------------	-----------
