2007	NE	Cleveland	Cleveland State University	Wright Centers of Innovation	Wright Center for Sensor Systems Engineering	\$23,840,576
2007	NE	Cleveland	The Cleveland Clinic Foundation	Wright Mega-Centers of Innovation	Global Cardiovascular Innovation Center	\$59,999,086
2007	WC	Dayton	University of Dayton	Wright Centers of Innovation	Institute for the Development and Commercialization of Advanced Sensor Technology	\$28,000,000
2007	NW	Toledo	University of Toledo	Wright Centers of Innovation	Center for Photovoltaic Innovation and Commercialization	\$18,635,238
2005	NE	Cleveland	Case Western Reserve University	Wright Centers of Innovation	Wright Fuel Cell Group (formerly Power Partnership of Ohio)	\$1,665,044
2005	NE	Cleveland	The Cleveland Clinic Foundation	Wright Centers of Innovation	Atrial Fibrillation Innovation Center	\$22,989,847
2005	CE	Columbus	The Ohio State University	Wright Centers of Innovation	Ohio BioProducts Innovation Center	\$11,586,847
2005	CE	Columbus	The Ohio State University Research Foundation	Wright Centers of Innovation	Ohio Center for Multifunctional Polymer Nanomaterials and Devices	\$22,489,845
2005	WC	Dayton	Wright State University	Wright Centers of Innovation	Wright Centers of Innovation for Advanced Data Management	\$1,500,000
2004	SW	Cincinnati	Children's Hospital Medical Center	Wright Centers of Innovation	Center for Computational Medicine	\$19,765,170
2004	CE	Columbus	The Ohio State University Research Foundation	Wright Centers of Innovation	Ohio Center for Advanced Propulsion and Power (OCAPP)	\$10,880,000
2004	WC	Dayton	Wright State University	Wright Centers of Innovation	Wright Centers of Innovation for Advanced Data Management	\$11,103,750
2003	NE	Cleveland	Case Western Reserve University	Wright Centers of Innovation	Center for Stem Cell and Regenerative Medicine	\$10,800,900
2003	NE	Cleveland	Case Western Reserve University	Wright Centers of Innovation	Power Partnership of Ohio (now Wright Fuel Cell Group)	\$18,000,000
2003	CE	Columbus	The Ohio State University	Wright Centers of Innovation	The Biomedical Structural, Functional and Molecular Imaging Enterprise	\$9,119,100
