

Overview of Ohio Licensing Process for Foreign Educated Medical Doctor

United States Medical Licensing Examination (USMLE)

Apply for the USMLE through the Educational Commission for Foreign Medical Graduates (ECFMG); www.ecfm.org.

- **Documentation of Education:** Applicant will need to apply to the Educational Commission on Foreign Medical Graduates (ECFMG). ECFMG verifies diploma and that education is comparable to that of a program within the United States.
- **ECFMG assigns applicant an identification number**

Complete USMLE Exams (<http://www.usmle.org>)

- Step 1 – Clinical Knowledge (CK)
- Step 2 – Clinical Knowledge (CK)
- Step 3 – Clinical Skills (CS)

Cannot fail more than 3 times and must complete within 10 years

ECFMG Certificate is Granted

Graduate Medical Education Program (Residency Application)

- Complete **Electronic Residency Application Service (ERAS) Application** <https://www.aamc.org/services/eras/> - ERAS creates the application and transmits it to selected residency programs. It does not match applicants to programs.
- To match into a residency program, you must apply to the **National Resident Matching Program (NRMP) or The Match**, <http://www.nrmp.org/>, or another matching service.
 - Include:
 - Letters of Recommendation of U.S. work experience (volunteer, full-time, or part-time employment)
 - Personal Statement (one page)

Complete Graduate Medical Education Program

- 2 Year Residency or Internship

Pass the USMLE Exam – Step 3, if not already taken

Proof of English Proficiency: Applicant will need to take the Test of English as a Foreign Language (TOEFL iBT). Internet-based version - Score must be 83 or higher. The applicant needs to contact the Educational Testing Services (ETS) at 609-771-7100 or register online at www.ets.org. The Board must receive the test scores directly from ETS.

Must Score:

- Speaking: 26 or higher
- Listening: 26 or higher
- Total Score: 90 or higher

Exceptions:

- Completion of 2 years undergraduate college work in the U.S.
- Passed Clinical Skills Assessment examination given by [ECFMG](http://www.ecfmg.org)
- Possession of current Medical license in U.S.
