

# Clean Ohio Fund

## Project Resource and Advisory Meetings

---

### Goal:

Potential applicants for the Clean Ohio Revitalization and Assistance Funds are invited to arrange a Clean Ohio Fund Project Resource and Advisory Meeting. Early and continued communication with ODOD and Ohio EPA, beginning with these meetings, will allow participants to receive technical assistance on their projects, including financial, environmental and strategic advice. This will enable the applicant to better understand the Clean Ohio Revitalization and Assistance Fund application processes and to prepare more competitive applications. These meetings are not mandatory for funding and will permit interested parties to meet with Ohio Department of Development (ODOD) and the Ohio Environmental Protection Agency (Ohio EPA) to discuss issues related to Clean Ohio Revitalization and Assistance Fund projects and implementation.

Meetings will be scheduled upon request and must be coordinated with ODOD's Office of Urban Development (OUD).

### Agenda:

Each potential applicant will be asked to present information on the project, which will be followed by a discussion period and a visit to the project site.

### Pre-registration:

Interested parties must register using the meeting request form. The registration form is located on the OUD website: [www.odod.state.oh.us/ud](http://www.odod.state.oh.us/ud). **This form must be submitted no later than 10 business days prior to the desired meeting date** to ensure all appropriate OUD and Ohio EPA staff members are available for your meeting. Staff from OUD will coordinate with the contact listed on the form to schedule the meeting.

Environmental consultants and development partners are encouraged to attend this meeting; however, a representative from the community (the potential applicant) must be present. After completed registration forms are received, meeting times will be allocated on a first come - first served basis.

Faxed, e-mailed or mailed copies of the registration form are accepted. ODOD will schedule meeting times and send confirmation via e-mail **ONLY** after receiving the meeting request form.

For additional information or submission of a meeting request form, please contact Amy Alduino from the Office of Urban Development:
