Census.Ohio.Gov

The success of the Ohio 2020 Census depends on everyone's participation. When you receive the request, please fill out your form as soon as possible.

It's Easy

It asks questions about you and your household. You can respond online, by phone or by paper.

It's Safe

Your response is kept confidential and cannot be shared, even with law enforcement. All responses are encrypted in computers.

It's Important

It determines how much federal money will come to Ohio and local communities for the next 10 years.

Census Day is April 1, 2020.

The Census is a count of every resident in the United States. The goal is to count everyone once, and only once, in the right place.
