Kisa Resansman an ye? Jan Konstitisyon Etazini an mande sa, resansman an se yon aktivite ki fèt yon fwa chak dis ane kote yo konte chak moun k ap viv nan peyi a. Lè nou konnen konbyen moun ki genyen nan kominote w la, òganizasyon yo, ak biznis yo pi byen ekipe pou evalye sèvis ak pwogram ki nesesè, tankou klinik, lekòl ak wout. Sa detèmine tou nan ki fason syèj nan Kongrè a ap distribye nan 50 eta yo. An mas 2020 Biwo Resansman Etazini an ap voye yon envitasyon bay chak fwaye pou yo ranpli yon kesyonè sou ki kantite moun k ap viv nan adrès yo nan dat 1ye avril la. Ou pral genyen opòtinite pou reponn sou entènèt, pa telefòn, oswa pa lapòs, epi lalwa federal ap pwoteje repons sa yo.

What is the Census? As mandated by the U.S. Constitution, the census is a once-every-decade count of everyone living in the country. When we know how many people live in your community, organizations, and businesses are better equipped to evaluate the services and programs needed, such as clinics, schools, and roads. It also determines how seats in Congress are distributed among the 50 states. In March of 2020, the U.S. Census Bureau will send every household an invitation to complete a simple questionnaire about who lives at your address on April 1st. You will have the opportunity to respond online, by phone, or by mail, and federal law keeps those responses safe and secure.
