

Abandoned Gas Station Cleanup Grant Program Cleanup and Remediation Project Scoring Sheet

Only applications that meet the eligibility requirements will be scored. Eligibility requirements include:

- Must be an Eligible Applicant (Political Subdivision who owns the property or who is applying jointly with an organization that owns the Eligible Property) and must certify they did not cause or contribute to any prior release of petroleum or other hazardous substances on the Eligible Property.
- Property must be currently vacant (may contain an abandoned structure) and had been a gas or service station.
- Property must be listed on the BUSTR database as a Class C site with a documented release (LTF=1).
- Projects must score a minimum of 50 points to be eligible for consideration for funding.

Applicant: _____

Project Name: _____ Date: _____
