

Subject: Weatherization Program Standards

Purpose: The process of obtaining the State of Ohio's Weatherization Program Standards (WPS)

Energy conservation measures installed by local service providers for the Universal Service Fund's Electric Partnership Program (EPP) must meet installation guidelines set forth in the State of Ohio's *Weatherization Program Standards* (WPS). Due to the size of the document, a copy will not be included within this Policy Manual. However, a full copy of the WPS may be requested by calling the ODOD/OCS at 614-466-6207, by fax at 614-466-1864 or by email to USFmail@development.ohio.gov. Include name and mailing address information with your request.

Also, a copy may be obtained electronically at http://www.development.ohio.gov/cdd/ocs/HWAP_ProgramStandards.htm.
