

 <p style="text-align: center;">State of Ohio Weatherization Program Standards</p>	Section	<b>MOBILE HOME INSTALLATION</b>
	Subject	<b>Roof</b>

*ROOF REPAIRS 702-2.1*

Make any necessary repairs to damaged roofing materials or structural roofing members.

**roof/structural repairs**  
702-2.1a

Do not add venting to a mobile home roof. Repair missing or damaged flashing, caps, or roof jacks as necessary or appropriate depending on which roof access technique is used.

**venting**  
702-2.1b
